\*\* Please mark ALL campers' clothing, towels, sports gear, etc. with their names. This is **VERY IMPORTANT!** Please teach your children about the proper care of their own belongings. If they become more responsible, maybe we can cut down on the amount of items left at camp this year and save your budgets.

Physicals are required and a completed Medical History is a **MUST**.

The following items are **NOT** to be brought to camp: electronic games, radios, walkmans, ipods, tape players (and the like), cell phones, baseball cards, magazines, etc. Since Camp Hope is a two-week retreat for our children, we want to keep the focus on the spiritual. If any of these items are found, they will be confiscated.

The Medical History/Parent Consent Form (for **EACH child**) must be sent in at the time of registration. Specific medical protocols for diabetes, asthma, or severe allergies can be obtained from Ed Neri if your child needs one.

If you have any questions regarding Camp, please call Ed Neri at (908) 668-9002 (weekdays from 10-1 pm) or (908) 771-0745 (weekdays after 2 pm and on weekends). Please continue to fast and pray for God's abundant blessings on this year's camp.
